

P.O. BOX 3605 ERIE, PA 16508

Dear fellow angler/ boater/ jogger/ outdoorsman/ environmentalist,

By now I hope that you have toured our website and know what the S.O.N.S. of Lake Erie fishing club stands for. We need you. We not only work to preserve the Lake Erie fishery but we also work to preserve the waterfront experience for those that wish to enjoy it. We are the defenders of public access and a champion of clean water. We continue to monitor those developments that affect our enjoyment of our beautiful Lake Erie resources whether it be fishing, boating, jogging, walking, swimming or simply dangling one's feet in the water while watching the beautiful Erie sunsets.

It's time to join the S.O.N.S. of Lake Erie Fishing Club, in order to preserve our fishery resource we must now stand and be counted with those who will work towards preserving our resources for future generations. For over 25 years the S.O.N.S. has been active at this huge task. In order to continue we need your support. By simply joining our ranks, your membership will be added to those over 1600 members who already stand with us.

Our unified stance provides a notice to our legislators that we represent a body of citizens who are concerned with these issues and our willing to work to solve them.

You may ask, "What will I get out of joining?"

1. You will gain the satisfaction of joining a group of like-minded individuals
2. You will have a forum to air your concerns and ideas.
3. You will have the satisfaction of working with and for our youth to educate them in the joys of fishing and other outdoor recreation.
4. You will enhance your experience by learning from others, especially our guest speakers who give presentations at our general membership meetings.
5. You will receive a monthly newsletter with news that concerns fishing, the fishery and the environment.
6. You can do something positive for you and your future.

Our General Membership meetings are held on the fourth Monday of the month from September through May. We meet at the Polish Falcon's Club, 431 East 3<sup>rd</sup> St. Erie, PA The meetings start at 7:30 PM. They are open to the public.

A membership application form is on the next page, print it out and fill it in.
